

**Date: 13.10.2023**

**Dear Students and Parents,**

I hope this letter finds you in good health and high spirits. As we near the end of Term I, I would like to take a moment to reflect on the incredible initiatives and achievements that our school has witnessed during this period.

One of the remarkable programs that has taken place this term is "TAG - The Great Game of Averages." This program has successfully promoted collaborative learning among students, fostering a sense of teamwork and camaraderie. I would like to extend my heartiest appreciation to our TAG leaders, who have done an exceptional job in organizing and executing this engaging activity.

Additionally, we have witnessed the immense benefits of project-based learning this term. Through this pedagogical approach, our students have had the opportunity to delve deeper into subjects and develop their critical thinking and problem-solving skills. The creativity and dedication displayed by our students in their projects have been truly commendable.

At Paramita Heritage School, we firmly believe in the power of interdisciplinary learning. Throughout this term, our students have had the privilege of exploring connections between various disciplines, imbibing a holistic understanding of knowledge. This approach has fostered their intellectual curiosity and provided them with a well-rounded education.

Another milestone in our journey this term has been our Model United Nations program. Students from different levels have actively participated in this highly esteemed event, honing their public speaking, research, and negotiation skills. The drive and enthusiasm demonstrated by our student delegates have made us immensely proud.

Lastly, our delightful "Trip as Light" excursion proved to be a memorable experience for our students. This engaging and educational trip provided them with an opportunity to learn beyond the confines of the classroom, fostering new friendships and creating lasting memories.

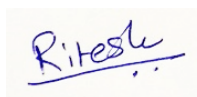

I would like to thank our students for their unwavering commitment to their studies and for embracing these initiatives wholeheartedly. Your enthusiasm and dedication are truly inspiring.

I also extend my heartfelt appreciation to all the parents for their continuous support in ensuring the success of these programs. Your involvement and encouragement have played a vital role in nurturing our students' talents and potential.

As we conclude Term I, let us not forget the lessons learned, the friendships forged, and the achievements attained. I look forward to the upcoming term and the even greater milestones we will achieve together.

Wishing you all a relaxing and joy-filled break.

Warm regards,

**Ritesh Mehta,**

**Principal, Paramita Heritage School.**
